Some tours are priced on a transportation only basis while others may include admission fees. Please read tour descriptions in this brochure. If you are not sure what is included on a specific tour, please ask the staff at the tours office. Participants are strongly urged to carry sufficient yen and dollars, depending on personal needs. Most Japanese tourist sights charge a nominal fee and it is the responsibility of each participant to pay his or her own admission costs. Carrying a lunch is permissible and should be considered on any tour. Youths ages 3 to 12 are charged a reduced rate and are entitled to their own seats. Those under 3 years of age are not charged but may use a bus seat on a space available basis. In the event you wish to ensure that your child has a seat, a seat can be purchased at the normal youth rate. Youths, 17 and under must be accompanied by an adult. Tour buses depart from the south side of Bldg. 250, Japan Engineer District (JED), opposite the Zama Fire Station unless notified otherwise.
